

Hours and Times of Day Minors May Work in Wisconsin

State and federal laws do not limit the hours that minors 16 years of age or over may work, except that they may not be employed or permitted to work during hours of required school attendance under [Wis. Stat. § 118.15](#).

State and federal laws also permit minors under 16 to work up to seven days per week in the delivery of newspapers and agriculture. In most other types of labor, minors under 16 may only work six days a week.

Most employers must obtain work permits for minors before permitting them to work.

Maximum Hours of Work for 14 & 15 year-old minors	After Labor Day through May 31	June 1 through Labor Day

Employers subject to both federal and state laws must comply with the more stringent section of the two laws.

State employment of minors laws prohibit work during times that minors are required to be in school, except for students participating in work experience and career exploration programs operated by the school.

Minors under 16 years of age are limited to the maximum hours and time of day restrictions even though they may work for more than one employer during the same day or week

Minors under 18 years of age may not work more than 6 consecutive hours without having a 30-minute, duty free meal period.

Minors 16 and 17 years of age who are employed after 11:00 pm must have 8 hours of rest between the end of one shift and the start of the next shift.

Minimum Wage for minors is \$7.25 per hour. Employers may pay an "Opportunity Wage" of \$5.90 per hour for the first 90 days of employment. On the 91st day, the wage must increase to \$7.25 per hour
